

Jordan's Slide For SUDEP

Friday, February 24th, 2012

In-Kind Sponsors & Donations

SUDEP Aware is a not-for-profit organization, co-founded in 2008 and run by dedicated volunteers based in Toronto. Their mission is to promote knowledge and understanding of Sudden, Unexplained Death in Epilepsy (SUDEP) through education, research and support. Jordan was diagnosed with epilepsy only 12 months before she fell victim to SUDEP – totally “unexplained.” It’s time to bring more awareness to SUDEP because through increased awareness comes more knowledge and understanding, and the increased likelihood of finding the cause and/or methods of prevention of SUDEP. Help us to be a part of the solution!
